## **AOKFN RHT LEGAL FEES UPDATE**

February 18, 2026

I am writing this letter to the Aundeck Omni Kaning First Nation (AOKFN) membership providing an update regarding the Robinson Huron Treaty (RHT) Settlement Disbursement following the October 28, 2025, Justice Meyers decision.

The Supreme Court of Canada has mandated the return of \$232 million, plus interest, in legal fees to approximately 40,000 annuitants across the twenty-one (21) First Nations. These distributions will be managed according to the Compensation Distribution Agreement (CDA) within the RHT Litigation Funds (RHTLF) Trust Indenture. Please note that the CDA allocates 5% for legal defenses and 1% for Indigenous Services Canada removed claimants before distribution.

With that being said, AOKFN's allocation from the legal fees, plus interest calculation is **\$7,710,276.49**; as to which the decision made at the Monday February 17, 2026, Chief and Council meeting (**Motion #1267:25/26**) is to distribute 100% of these received funds to the AOKFN registered membership (**\$7,649.09** per AOKFN Registered Member). Due these funds being apart of the process leading up to the successful initial court proceeding, the eligibility dates for AOKFN Members to receive this one-time AOKFN RHT Legal Fees distribution are those from the initial eligibility criteria of being AOKFN registered members that were alive and registered between **September 9, 2023 to September 9, 2024**.

The new AOKFN RHT Legal Fees PCD Form will be available to those that are eligible to receive this disbursement as to which the deadline date to submit for the first processing date of March 13, 2026, will be Wednesday March 11, 2026. Those AOKFN Registered Members that do not submit their new AOKFN RHT Legal Fees PCD Form by the cut off date will have to wait as per the normal end of the month processing dates post disbursement end of month dates.

Miigwetch,

Chief Patsy Corbiere
